NOTICE

On November 14, 2002, the Bureau of Land Management granted a suspension in accordance with the regulations in 43 CFR 3483.3 (b), in response to UtahAmerican Energy, Inc.'s application dated January 15, 2002.

On July 8, 2009 this office was notified by the lessee that beneficial use of the federal leases within LMU UTU-73516 would commence on July 15, 2009. Subsequently, UtahAmerican Energy, Inc. notified BLM that actual beneficial use had commenced on July 16, 2009. Pursuant to Stipulation 3(a) attached to the suspension of the leases, suspension of operations and production "shall be terminated by the BLM on the first day of the calendar month during which one of the following occurs: (a) Beneficial use of one or more of the Federal coal lease(s) or LMU recommences..."

BLM mine inspectors have verified that beneficial use of one or more of the Federal coal leases has occurred, therefore UtahAmerican Energy, Inc. is hereby notified that the suspension of the above listed leases is terminated effective as of July 1, 2009.
