Daron....Regarding Task 3077, the remaining stipulations for the West Ridge GVH approval, please note the following:

- 1) Attached is a copy of the signed and notarized assignment of the Bear Canyon Road (Easement 1463) from West Ridge Resources to Carbon County.
- 2) I mailed out to the Division on Monday (Feb 23) copies of the topsoil lab analysis, for inclusion in the MRP
- 3) As you know from recent conversations, we are now pursuing an alternate reclamation bond for the GVH. Rather than utilizing the existing bond through AIG, which could open up complications, we will work through IPA or Rockwood Casualty for a stand-alone bond. After meeting recently with Pete Hess, it is my understanding that the Division will accept a bonding amount of \$67,000 for the GVH. Paul Piccolini, who handles all bonding matters for the company, thinks we can have something in the next several weeks. Meanwhile, I will begin preparing a separate Reclamation Agreement for the GVH.

This email is submitted in response to addressing Task 3077 as required by the Division. Thanks

Dave Shaver
