Subject: West Ridge: UG-1

Hi Dana,

Thanks for sending those. I'd like to set up a site for UG-1 in the database. I know the database has been giving everyone fits as of late, but that may be the easiest way to keep track. Let me know what you're thinking when you get a chance.

Thanks,
Steve

Hello Steve,
Please find the lab results for UG-1, September, 2010.
Thank you,

Dana Marrelli
