Re: West Ridge Mine C/007/041
Completion of Midterm Review
Deficiencies, Task 3930

Dear Mr. Haddock:

Regarding your letter of November 1, 2011 (Task 3930), I hereby request an extension of time to respond to the deficiencies. The pressing nature of the Crandall Division Order and the West Ridge Panel 22, along with dealing with the East Mountain reclamation and the Tower GVH reclamation situations have made it difficult to address the West Ridge mid-term review issues as well. Because of the on-going nature of all of these priorities, and the disruption of the upcoming holiday season, I would appreciate an extension until February 1, 2011 for these deficiencies.

If you have questions or comments please contact me at (435) 888-4017.

Sincerely,

David Shaver
Resident Agent
