### Coal Lease UTSL-068754-U-01215 Modified Extension of Coverage of Surety Bond Accepted

Enclosed is a copy of modified coal lease UTSL-068754-U-01215 effective on November 1, 2012. The terms and conditions of the original lease are made consistent with the laws, regulations, and lease terms applicable at the time of this modification. The anniversary date of the coal lease remains June 1, 1951.

On October 18, 2012, a surety rider submitted by Karen Williams, an Attorney-in-Fact for U. S. Specialty Insurance Company, agreed to extend the coverage of the \$212,000 lease bond to the additional modified acreage. This rider is acceptable to extend that coverage and is accepted as of the date of filing.

Please note that rental in the amount of \$3.00 per acre, or fraction thereof, or a total of \$9,393 is due on the next anniversary date, beginning on June 1, 2013.

An application will have to be filed to add the modified acreage into the logical mining unit you have applied for, UTU-88553.

If you have further questions call Bill Buge at (801) 539-4086.
