Subject: Division Order to Update the Probable Hydrologic Consequences, West Ridge Resources, Inc., West Ridge Mine, C/007/0041, DO-12A

Dear Mr. Hibbs:

On April 3, 2012, the Division sent West Ridge Resources, Inc. a Division Order (DO-12A) to revise the current Mining and Reclamation Plan (MRP) to provide additional baseline data and describe potential impacts to surface and groundwater, water rights and the potential for post-mining discharges from the mine. The Division Order provided West Ridge Resources with 90 days to comply with the order.

Including delivery time of the order, the Division has determined that **the official date to comply with the Division Order is July 2, 2012**. Please be sure to comply with all terms stated in the Division Order by that date to avoid violation.

If you have any questions regarding this order, please contact me at (801) 538-5320.

Sincerely,

Daron R. Haddock  
Coal Program Manager
