UTAH DIVISION OF OIL, GAS AND MINING
WORKSHEET FOR FINAL ASSESSMENT OF PENALTIES

COMPANY: UtahAmerican Energy
PERMIT: C/007/0041
VIOLATION: NO21186
DATE: December 6, 2106

ASSESSMENT CONFERENCE OFFICER: Dana Dean

	Proposed Assessment	Final Assessment
(1) History/Previous Violations	<u>1</u>	<u>1</u>
(2) Seriousness	<u>13</u>	<u>7</u>
(3) Negligence	<u>16</u>	<u>5</u>
(4) Good Faith	<u>0</u>	<u>0</u>
Total Points	<u>30</u>	<u>13</u>

TOTAL ASSESSED FINE \$286.00

Explanation:

Reduction of seriousness points from 13 to 7 because the company was able to retrieve some of the past information and current information showed that there had been no movement between previous and current monitoring.

Reduction of negligence points from 16 to 5 because the company did not ask RBG to stop monitoring nor did they terminate any contracts. RBG stopped on their own and turnover in mine and Division personnel left the omitted reports un-noticed until the violation was written.
