Hello Karin,

The Division received your application for the above-noted permit change on May 12, 2017. Pursuant to R645-303-221, the Division completed the requisite 15-day Initial Review and denies this application for a technical review based on the following:

1. The confidential information is required to be clearly marked and separated from other submitted material. When submitting electronically, please include the word Confidential in the file name or set up a separate confidential folder for confidential documents.
2. The application should be submitted as a significant revision. Include a proposed public notice with the application.
3. Provide more discussion on the Post Mining Land Use revision for the Gob Vent Hole area being removed for the West Ridge Permit.

If you have any questions, please call Daron Haddock at [\(801\)538-5325](tel:8015385325).

Thank you
