**RE: Permit #C/007/042 Clean Chapter Text and PDF disk**

Dear Pam:

As you have requested, I have enclosed three sets of hard copy chapter text with the redline/strike out changes accepted for the approved SCA Star Point Permit. Also, for your convenience, I have also enclosed five electronic copies of the permit documents in .pdf format.

Rusty Netz will want to coordinate an efficient plan with you to get his copy of the permit stamped for his records at the mine site.

If you have any questions or comments, please call me or Rusty Netz at (435) 888-4476.

Sincerely,  
PSOMAS
