RE: DOGM Permit Amendment Application
 Sunnyside Cogeneration Associates (SCA)
 Star Point Waste Fuel C/077/042

J. Grubaugh-Littig
 C/007/0042

Ms. Grubaugh-Littig:

SCA would like to retract the amendment that was submitted on March 23, 2004. The amendment SCA submitted on March 23, 2004, addressed new proposed mining alternatives, Primary road addition, and removal/adjustment of several culverts.

SCA will continue mining the Star Point Waste Pile according to the mining plan addressed in SCA's existing permit C/077/042.

Should you have any questions, please contact me or Rusty Netz at (435) 888-4476.

Sincerely,

Agent For
