Subject: SCA 2nd Qtr. Water Data

Rusty,

I have uploaded all of the information for Sunnyside Refuse/Slurry and Star Point Refuse from the pipeline into the database. A report is attached.

As a reminder, according to parameters set by the assigned hydrologist, you are still missing samples for CRB, WELL-1, ICE-1, and F-2.

Please let me know if you have any questions.

Thank you,

Dana Dean, P.E.
