RE: Star Point Waste Fuel C/007/042
Permit Side-By-Side Review

Dear Daron:

On February 28, 2008, a side-by-side permit review was conducted by Rusty Netz and Dave Darby at the Department of Oil, Gas and Mining office in Salt Lake City. Resulting from that review are C1 and C2 forms, confidential binder and copies of proposed changes to SCA's Star Point permit, which will make all copies of the Star Point permit identical. Once approved SCA will submit five clean copies.

Should you have any questions, please contact Rusty Netz or myself at (435)888-4476.

Thank You,
