Hi Pricilla,

You created two new entities in March 2010 that have no OFTs making them orphan entities (see below). Please add them to OFTs in AVS and let me know when you do it, so I can close out my March new entity review. Feel free to call me if you have any questions.

Bennett J. Stein  
Investigations Specialist  
U.S. Department of the Interior  
2679 Regency Road  
Lexington, KY 40503  
859-260-3924
