REVIEWER COMMENTS

Met Requirements

Did Not meet Requirements

The sediment ponds and refuse pile were inspected during each quarter of the year. Refuse piles are required to be inspected quarterly and certified by a P.E. Sediment ponds need to be inspected quarterly and certified annually.

The 2012 annual report submission shows that the refuse pile was inspected and P.E. Certified on a quarterly basis. The report also shows that the sediment ponds were inspected and P.E. certified for each quarter of 2012. This exceeds the requirements for annual certification. (KRH)
