Suzanne,

This is in response to Task ID #4685, Deficiency letter dated October 22, 2014. The letter, from DOGM, requested that the amendment be resubmitted by November 21, 2014. SCA would like to request a later date of November 25, 2014, for the resubmittal. We had an issue with the drawings and we won't have them completed until November 24th.

I hope this will not be an issue. Thank you.
