Subject: Final Approval of Completion of Midterm Review, Task ID #3805, Headwaters, Inc., COVOL Coal Processing Plant, Permit C/007/0045

Dear Ms. Rau:

The midterm review was conditionally approved by letter on May 2, 2011. Final approval was contingent on the Division of Oil, Gas and Mining (the Division) receiving:

- A \$41,000 bond supplement.
- Four clean copies of the submittal prepared for incorporation into the Mining and Reclamation Plan (MRP).

On May 24, 2011, the Division received the additional bond and requisite clean copies thus concluding the midterm for the COVOL Coal Processing Plant. Attached is a stamped incorporated copy for insertion into your copy of the MRP.

If you have any questions please don't hesitate to call me at 801-538-5325, Steve Christensen at 801-538-5350, or Pete Hess at 435-613-3731.

Sincerely,

Daron R. Haddock  
Permit Supervisor
