## **2. Signs and Markers**

The mine identification sign is posted on the fence at the entrance into the mining permit area from the public access. The sign contains all of the required information set forth in the Utah R645 Coal Rules.

### **4.a Hydrologic Balance: Diversions**

During the course of the partial inspection a culvert outlet was observed on the West side of the property that has been partially crushed. The outlet is still functional, but maintenance is required. A second culvert outlet on the West side is building up with sediment. The outlet is still functional, but maintenance is required.
