Dear Mr. Baza & Coal Program Personnel,

RE: CLEAN "BLACK & WHITE" FINAL VERSION OF FOR KINNEY NO. 2 MINE - PERMIT NO. C/007/0047

Accompanying this letter are four copies of the "Final Clean Version" of the Kinney No. 2 Mine – Permit Application (delivered in person).

Carbon Resources has provided several red-line strike-out versions in course of addressing deficiencies identified by the Coal Team. Carbon Resources now believes that all of the deficiencies have been addressed. This "clean version of the MRP" has been created by accepting all the red-line strike-out updates and concatenating them into this "Final Clean" document.

Carbon Resources anxiously awaits the Divisions letter approving this permit application. As you are aware, our circumstances dictate that time is of the essence we therefore thank you in advance for attending to approving this application as soon as possible.

This submission is accompanied by Forms C1 and C2 as required.

Please feel free to contact me, Greg Hunt at (970) 856-9477 (cell (970)260-0448), or Ben Grimes at (435) 653-2304 with any questions regarding this application.

Respectfully Submitted,

Gregory Hunt
