Memo to Coal File:

RE: J. B. King Mine
Western States Mineral
Corporation
ACT/015/002

The above-noted site was visited on September 16, 1980, by Clark Johnson, U. S. Fish & Wildlife Service, Mike Coffeen, Division of Wildlife Resources and Mary Ann Wright of the Division.

It was decided to take advantage of the opportunity for Clark and Mike to view this mine in anticipation of a wildlife consultation request and mine plan review.
