Division of Oil, Gas and Mining  
1588 West North Temple

Dear Mr. Tetting:

Attached please find copies of our proposed exploration plans for Tie Fork and Crandall Canyon for your consideration.

I am sorry you did not receive a copy of the amended exploration plan we submitted to the U.S.G.S. I did mail a copy to your office, however.

Northwest Carbon has been very cooperative with the Oil, Gas and Mining Division. I hope we can continue to do so.

Sincerely,

*Catherine V. Chachas*
