RE: September 23, 1981,
Inspection of the J. B.
King Mine
ACT/015/002
Emery County, Utah

Dear Mr. O'Donnell:

Enclosed is a memo reporting on the compliance status of the J. B. King Mine. We have recently been informed of plans to reactivate the mine. As many compliance problems persist at the operation, I'm requesting that we arrange for an inspection with you or a knowledgeable representative of your staff prior to reactivation. Please keep us informed of Western States Minerals' plans in this regard.

Sincerely,

SANDY PRUITT
RECLAMATION OFFICER
