RE: ACR Response Deadline
Western States Minerals Corporation
J. B. King Mine
ACT/015/002
Folder No. 2
Emery County, Utah

Dear Mr. Nelson:

This letter will serve to confirm our discussion of May 18, 1983 relative to the deadline by which Western States Minerals Corporation is expected to have responded to the Division's Apparent Completeness Review (ACR) of the J. B. King Mining and Reclamation Plan. Due to both your company's expressed need for a longer response time and delays experienced by the Division in our review schedule, it is hereby approved that the ACR response deadline be moved back from the original date of July 20, 1983 to the recently established deadline of September 1, 1983.

Should you have any questions regarding this matter or should any problems arise in the interim, please do not hesitate to contact the Division.

Sincerely,

James W. Smith, Jr.
