Reference: J. B. King Mine, Permit No. ACT/015/002, Folder #2
Emery County, Utah; Mine Plan Review

Dear Mr. Daniels:

On October 30, 1984, we requested a fifteen (15) day extension for a final decision on the disposition of the Mine Plan Review deadline of October 31, 1984. On November 6, 1984, you granted this extension.

We have now been informed by our client that they need additional time in their internal evaluation to make a final decision on the acquisition of the mine.

We, therefore, are requesting an additional extension on the disposition of the J. B. King Mine until November 30, 1984.

We know this is a very important decision for our client. We trust you understand our situation and look for a favorable decision for ourselves as well as for the state and the community.

Yours very truly,

WESTERN STATES MINERALS CORPORATION
