RE: Status of J. B. King, S. J. Groves & Sons Company,
ACT/015/002, #2, Emery County, Utah

Don Nelson telephoned December 17, 1984 inquiring about a letter that he is expecting from the Director. I checked with Dianne R. Nielson and she said a letter is forthcoming with a deadline of January 2 or 3, 1985 for a reply from S. J. Groves & Sons about the status of the mine. I relayed this information to Mr. Nelson.

I also outlined the bond amount that must be posted. This amount was inflated from figures in their mine plan in 1984 dollars. The amounts are:

1985 - \$292,577
1986 - \$312,413
1987 - \$333,596
1988 - \$356,213
1989 - \$380,364

I requested the amount of \$312,413 be posted in 1986 dollars.
