Re: J.B. King Mine, Monitoring

Dear Mr. Whitehead:

I appreciate the time you afforded me on such short notice, to meet with you and have the opportunity to meet the people of your staff that are involved with the J.B. King Mine.

As I mentioned to you, Western States will be completing the monthly monitor requirements beginning in August. Coal Systems, which has been Western States agent administrering all J.B. King Mine related reclamation task, will from here on be available as required on a consulting basis.

I look forward to working with you and the D.O.G.M. towards our reclamation goals.

Sincerely,

WESTERN STATES MINERALS CORPORATION

Michael H. O'Donnell
