Re: J.B. King Mine
1985 Annual Report

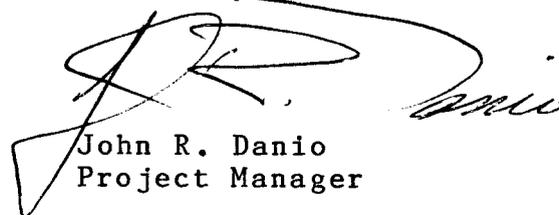

Dear Mr. Braxton:

Attached please find the 1985 annual report for the Reclamation Operation at the J.B. King Mine.

Since the reclamation was only completed this fall, no vegetation test plot data is available. I have, however, included a copy of the January 1986 inspection report that does mention the revegetation success.

Please don't hesitate to call if I could be of further assistance.

Sincerely,

John R. Danio
Project Manager
