Dear Mr. Smith:

Enclosed are four copies of the amendment to the Reclamation Permit for the J. B. King Mine as required by your letter of July 21, 1989, to Mr. Allen Gordon of Western States Minerals Corporation. This amendment is being submitted to address two items, erecting new fencing and a new diversion road, that were presented in the reclamation plan of action of work to be done in 1989.

If you have questions or comments on this amendment, please call or write and I will respond as needed.

Sincerely yours,
