Dear Mr. Smith:

I would like to request, on behalf of Western States Minerals Corporation, an extension of two weeks for filing the required amendment on the J. B. King mine requested for the additional fence to be built and the road bypass. The maps needed to show these changes did not arrive in time to complete the amendments. The maps were requested but have not come yet.

As soon as these maps are received and finished, the amendment will be complete. Thank you for your consideration in this matter.

Sincerely yours

Samuel A. Bamberg, PhD
