Subject: Amendment to Permit Area,
J. B. King Mine

Dear Ms. Grubaugh-Littig:

Attached is an amendment which expands the permit area at the J. B. King Mine to include the western most disturbed areas, and those areas fenced to preclude cattle grazing.

We have requested that State Lands and Forestry amend the legal description of our grazing lease to correspond to the area which is fenced. We will forward a copy of the amended grazing lease to you once it is processed.

Sincerely,

Frank Filas
Environmental Engineer
