Subject: Resident Agent and Designated Representative,  
J. B. King Mine

Dear Ms. Grubaugh-Littig:

The resident agent for Western States Minerals Corporation in Utah is C. T. Corporation. Four copies of this designation are included for insertion into the mining and reclamation plan.

Effective immediately, I will serve as the designated representative for inspections and correspondence regarding the J. B. King Mine. I should also receive copies of any documents sent to the resident agent.

Division notification of planned inspections is not required. I can be contacted at (303) 425-7042 if a joint field inspection is desired, or if there is a problem at the site which requires immediate attention. Mr. Alan Noble, Engineering Manager, is to be contacted in my absence.

Sincerely,

Frank Filas  
Environmental Engineer
