Dear Mr. Filas:

Re: Stipulation Responses, Western States Minerals Corporation, J. B. King Mine, ACT/015/002, Folder #2, Emery County, Utah

There are two stipulations that will require further information, R614-301-742.113 (TM) and R614-301-120 and R614-301-140 (JK). All future work will require that no equipment be allowed on site without restarting the liability period. In addition, the highwall must be indicated on the disturbed area map.

Please submit the revised map by January 11, 1991 and notify the Division about how future work will be undertaken.

Sincerely,

Pamela Grubaugh-Littig
