RE: Stipulation Responses, J.B. King Mine, Western States Mineral, ACT/015/002, Folder #2, Emery County, Utah

Synopsis

On November 13, 1990, the Division received the stipulation responses to the five-year permit renewal. This memo reviews this response.

Analysis

The permittee has provided a plan to address erosion control, has shown the location of alternative controls on drawings JBK-1 and describes how silt fences will be phased out and shallow sediment basin will be implemented in their place.

Recommendation

This information satisfies the stipulations for the five-year renewal.
