Dear Mr. Filas:

Re: Stipulation R614-301-356.100, Vegetation Sampling, Western States Minerals, J. B. King Mine, ACT/015/002, Folder #3, Emery County, Utah

The information provided in your letter of August 29, 1990 complies with Stipulation R614-301-356.100. However, that information must be submitted in a format suitable for inclusion in the Permit Application Package (PAP). Additionally, after the vegetative sample subtypes are identified during the 1991 Vegetative Survey, a map delineating these subtypes must also be submitted for inclusion in the PAP.

Please submit the reformatted information by October 12, 1990.

Sincerely,

A handwritten signature in cursive script, reading "Pamela Grubaugh-Littig".

Pamela Grubaugh-Littig
