OIL GAS & MINING

Dear Ms. Grubaugh-Littig:

**Re: STIPULATION RESPONSE, WESTERN STATES MINERALS CORPORATION,  
J.B. KING MINE, ACT/015/002, FOLDER #2, EMERY COUNTY, UTAH.**

Please consider this a written memorialization of our telephone call of this date, in which I requested, and you verbally approved, an extension of time until 30 September, 1991, for Western States Minerals response to your letter of 15 August, 1991. As I told you, my reason for requesting this extension is that I will be meeting with our consultant - R.A. Consultants (aka Sam Bamberg) at J.B. King on the 9th & 10th of September. This meeting is to physically examine and discuss the issues addressed in your letter, as well as to select an alternative vegetation reference area. We should then be able to present a more informed submittal to you regarding these issues.

If you have any questions, please call.

Sincerely,
