Dear Ms. Grubaugh-Littig:

Please accept this as notice that I am now serving as the "designated representative" for the Western States Minerals Corporation operation currently known as the 'J.B. King Mine' (previously known as the 'Dog Valley Coal Mine'), ACT/015/002, Folder #2, Emery County, Utah.

I am of the understanding that I will receive notice of all planned inspections by the Division, and that all correspondence (including, but not limited to: inspection reports, notices of violation, copies of any documents sent to the resident agent, general correspondence, etc.) regarding the J.B. King operation will be sent to me at the following address of record:

Dwight J. Crossland  
Western States Minerals Corporation  
84 Glen Carran Circle  
Sparks, Nevada 89431

I can be contacted by telephone at (702) 358-3339, or FAX at (702) 358-3660. I am attaching the requisite four copies (on the requisite yellow paper) of this designation for insertion into the mining and reclamation plan. It will greatly facilitate communications between us if you and your staff will switch to using this address!

Please let me know if there is any reason why this change of 'designated representative' and/or address of record are not acceptable to you.

Sincerely,

  
\_\_\_\_\_  
Dwight J. Crossland
