

have previously performed WORK on an Abandoned M Reclamation (AMR) project or a Coal Reclamation Program project will be evaluated based on the Contractor Performance Rating Form (Appendix B). A rating of ten points or more is required.

DUE TO THE NATURE OF THE WORK IN THIS PROJECT, CONTRACTORS ARE REQUIRED TO ATTEND A MANDATORY SITE MEETING TO BE HELD FOR ALL BIDDERS ON SEPTEMBER 24, 1992.

Meet at the gas station/truck stop located at the Crescent Junction exit of Interstate 70, at 12:00 noon on Thursday, September 24, 1992.

Bid security, which must be on the Bid Bond form provided by the Division of Oil, Gas and Mining, in the amount of five percent (5%) of the bid, made payable to the Division of Oil, Gas and Mining, shall accompany the bid. A certified cashier's check may be used for the bid bond.

Bids will be received until 3:00 p.m., Wednesday, September 30, 1992, at which time they will be opened and read aloud in the DFCM Conference Room, 4110 State Office Building, Salt Lake City, Utah.

The Division of Oil, Gas and Mining reserves the right to reject any or all bids to waive any formality or technicality in any bid in the interest of the State.

DIVISION OF OIL,  
GAS AND MINING  
DIANNE R. NIELSON,  
DIRECTOR

**NOTICE TO CONTRACTORS**

File #2  
022/015/007

Sealed bids will be received by the Division of Facilities Construction and Management (DFCM), 4110 State Office Building, Salt Lake City, Utah 84114, phone 438-3016, for the NEW-TECH PROJECT, PHASE II, Grand County, Utah. DFCM serves only to facilitate the Division of Oil Gas and Mining in the pre-qualification of bidders and receiving of the bids. The Contract Documents are prepared and distributed by the Division of Oil, Gas and Mining (DOGM). All questions regarding the Contract Documents are to be directed to the Engineer at DOGM and not to DFCM.

The WORK consists of backfilling and grading, demolition and removal of surface structures and noncoal waste materials, drainage control, and revegetation of an abandoned mine site in Grand County, Utah. Engineer's estimate for this project is \$23,925. Engineer

is J. Randall Harden, P.E. for DOGM.

Specifications may be obtained from 9:00 a.m. to 5:00 p.m. starting Monday, September 14, 1992, from the Division of Oil Gas and Mining (DOGM), 355 West North Temple, 3 Triad Center, Suite 350, phone 538,5340. A refundable deposit of \$20.00 will be required for bid packages to cover the costs of printing the drawings and specifications.

Prior to any bidder receiving Drawings or Specifications, it will be necessary that the person or company bidding have on file with the Division of Facilities Construction and Management a copy of their current contractor's license, if required to be licensed, covering the type of work to be done and a statement from their Surety Company evidencing bondability to the amount of the contract.

**RECEIVED**

SEP 21 1992

DIVISION OF  
OIL GAS & MINING
