RE: Acknowledgement of Memo Dated May 24, 1993, J.B. King Mine,
Western States Minerals Corporation, ACT/015/002, Folder #2, Emery
County, Utah

The Division is in receipt of your memo dated May 24, 1993, that noted your site visit on May 19, 1993, to the J.B. King Mine and State Lands' concerns that a number of rills are beginning to develop in the topsoil which cover the spoil pile at the J.B. King Mine and your request that the spoils pile not become exposed. The Division would be happy to meet with you at any time, especially on site, to discuss any of these concerns.
