Dear Mr. Gerick:

Re: Certificate of Insurance, J. B. King Mine, Western States Minerals Corporation, ACT/015/002, Folder #4, Emery County, Utah

On December 30, 1992, the Division received a "Notice of Cancellation, Nonrenewal or Conditioned Renewal", from the Federal Insurance Company that notified the Division that the "package policy" for Western States Minerals Corporation would be cancelled on April 1, 1993 at 12:01 a.m. (see attached).

Please be advised that according to the Utah Coal Regulatory Program, R645-301-890.200, public liability insurance "will be maintained in full force during the life of the permit or any renewal thereof, including the liability period necessary to complete all reclamation operations under this chapter".

If you have any questions, please call me.

Sincerely,

A handwritten signature in cursive script that reads "Pamela Grubaugh-Littig".
