Re: J.B. King Mine ACT/015/002

Dear Mr. Haddock:

Mr. E.M. Gerick of Western States Minerals requested that field notes developed during a drilling and sampling program conducted at the J.B. King mine site during May, 1994, be submitted to you. A copy of these notes is enclosed for your use and for inclusion with the material previously submitted by Western States Minerals Corp.

Thank you for your attention to this matter.

Very truly yours,
