Re: J.B. King Mine, ACT/015/002, Folder #2, Emery County, Utah - As Built Drawings of 1994 Reclamation Work completed Nov-Dec. 1994

Dear Daron:

Please find attached three (3) copies of the as-built drawings of 1994 Reclamation Work completed during Nov.-Dec. 1994, at the J.B. King Reclaimed Minesite. I apologize for the delay in getting this information to you, however, I had some problems with the original survey data submitted to me and had to get that revised prior to submittal to you.

I still have not received payment for the invoice submitted to your office in February 1995 (this was for reclamation of the Vegetation Test Plot at the site); nor have I received any written response as to the completeness or acceptability of the *Permit Amendment* to the J.B. King Reclamation Plan mailed to your office on November 28, 1994. Would you please check on the status of these two subjects and respond back to me.

Please let me know if you have any questions on the information submitted; and I look forward to your response on the status of the two subjects that I have brought to your attention.

Sincerely,

E.M. Gerick
