RE: Compliance Review for Section 510 (c) Findings, J.B. King Mine, Western States Minerals Corporation, ACT/015/002-95B, Folder #3 and #5, Emery County, Utah

As of the writing of this memo there is an "issue" recommendation from the Applicant Violator System for permit ACT/015/002. There are no violations or cessation orders which are not corrected or in the process of being corrected.

There are no finalized Civil Penalties which are outstanding and overdue in the name of Western States Mineral Corporation. Western States Minerals Corporation does not have a demonstrated pattern of wilful violations, nor have they been subject to any bond forfeitures for any operation in the state of Utah.
