RE: Permit Renewal - J.B. King Mine, Western States Minerals Corporation, ACT/015/002, Emery
County, UT.

Dear Pam:

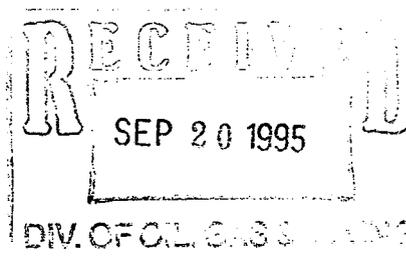

Please find enclosed a signed copy of the J.B. King Mine Permit Renewal. However, on page 2 under Section 8, Environmental Impacts, I modified the language slightly as follows: I struck **possible**, and inserted **reasonable and necessary** in its place, and initialed and dated this change in the column. Everything else appeared acceptable. I hope this modification doesn't cause you any problems. If necessary, Jim Carter can initial his copy and you can send me a copy of that for my records; and if not, then what I have will suffice.

Thank you for the diligence that you have committed to this permit renewal; I appreciate your efforts. If I can be of further assistance to you, please call me at your convenience.

Sincerely,

E.M. (Buzz) Gerick
Vice President of Operations
