Re: Swisher Coal Company
Huntington Canyon #4 Mine
Emery County, Utah

Dear Mr. Moffitt:

I have caused a review to be made of the Huntington Canyon #4 Mining and Reclamation Plan and have found the plans to be adequate insofar as the State's laws and regulations in regard to mining and reclamation.

The State is of the opinion that the mining permit for Swisher Coal Company should be issued allowing them to proceed with their planned operation.

Very truly yours,

Governor
