REGISTERED  
JUL 21 1980

Dear Mr. Blackwell:

DIVISION OF  
OIL, GAS & MINING

This letter will confirm our scheduled visit as discussed with you and Gene Holdaway by Darlene Clark of my staff. The purpose of this visit is to verify the tonnage figure reported to OSM on Form 837-1 in accordance with the abandoned mine reclamation fee provisions of the Surface Mining Control and Reclamation Act of 1977 (P.L. 95-87).

The audit has been scheduled as follows:

Time and Date of Audit: July 21, 1980, at 10:00 a.m.

Estimated Completion Time: July 23, 1980.

Audit Period: Calendar year quarters 77-4 through 80-1 (10 quarters).

Mines and Mine I.D. No.'s:

Gordon Creek #2 UG, I.D. 4200125  
Gordon Creek #3 UG, I.D. 4201254  
Gordon Creek #6 UG, I.D. 4201471  
Huntington Canyon #4 UG, I.D. 4201270

In order to minimize the time required at the audit site, we request that you have the following information available for the Fee Compliance Officer's review:

1. Workpapers, summary sheets, journals, ledgers, etc., which show tonnage of coal sold, transferred, or used.
2. Truck and railroad weight tickets.
3. Invoices (from the operator to the buyer).
4. Invoices (from the railroad company to the operator).
5. Royalty payment statements.
6. Relevant contracts, including those with purchases, broker, landowner, contractor.

Mr. Tim Blackwell

7. Reports submitted to other Federal agencies.

Your assistance will be appreciated. If you have any questions concerning this matter, please contact me at (303) 837-5918.

Sincerely,

WILLIAM R. BERRYMAN  
Chief, Fee Compliance Branch
