Re: Beaver Creek Coal Company  
ACT/015/004

Dear Ms. Wright:

As a result of your letter dated 3/26/80 requesting consultation concerning the fish and wildlife resource information on the Beaver Creek Coal Company's permanent permit application, we have reviewed the ENVIRONMENTAL ASSESSMENT REPORT/TECHNICAL EXAMINATION approved on 8/3/78. This report was written as the result of a request in January of 1977 by Swisher Coal Company of Price, Utah, for a short-term lease of 440 acres of coal. The 440 acres of coal are all located in T16S, R7E, as follows:

- Section 8, S $\frac{1}{2}$ SE $\frac{1}{4}$
- Section 16, N $\frac{1}{2}$ N $\frac{1}{2}$ , SW $\frac{1}{4}$ NW $\frac{1}{4}$ , NW $\frac{1}{4}$ SW $\frac{1}{4}$
- Section 17, NE $\frac{1}{4}$

We find this report to be adequate in its consideration of the wildlife and fish concerns.

Sincerely,

*W. B. Dalry*
