Oil, Gas and Mining  
1588 West North Temple

Dear Mr. Suchoski:

Enclosed is a revised map of our proposed drill holes for 1980. With the exception of DH-6 located on state lands, only minor adjustments were required in the field location proposed on the previous map.

At your convenience, I would appreciate a copy of the plugging guidelines mentioned in your letter of May 28.

Sincerely,

R. L. Wilson, Manager  
Exploration Department
