July 17, 1981

Mr. Ronald W. Daniels
Deputy Director
State of Utah
Dept. of Natural Resources
Division of Oil, Gas & Mining
1588 West North Temple
Salt Lake City, Utah 84116

Dear Mr. Daniels:

We appreciate the fast response to our request relative to the classification of #4 Mine of Beaver Creek Coal Company during the period when we were not producing coal in late-1978, 1979, and early-1980.

This should be helpful to us in our licensing arrangements with Emery County.

Sincerely,

Max A. Robb,
President
