Mr. James W. Smith, Jr.
Coordinator, Mined Land Development
Division of Oil, Gas and Mining
Utah Department of Natural Resources
1588 West North Temple
Salt Lake City, Utah 84116

Dear Mr. Smith:

Please find enclosed a revised TABLE OF CONTENTS (with Utah Permanent Program regulation cross-references) and an added LIST OF APPLICABLE PERMANENT PROGRAM REGULATIONS (with Permit Application cross-references) which have been addressed in the Huntington Canyon No. 4 Mine permit application. These changes replace existing pages i-xiii.

I hope this cross-reference index will aid as a check-list for your staff during the apparent completeness review of the permit applications. Similar indexes are being prepared for the Gordon Creek No. 2 Mine permit application and will be forwarded soon.

Sincerely,

Ken Wangerud
Permits Coordinator
