RE: Installation of Surface
Water Gauging Stations
Beaver Creek Coal Company
Huntington Canyon #4 Mine
ACT/015/004
Emery County, Utah

Dear Dave:

This letter is in response to your letter dated September 15, 1981, and our conversation at the DOGM offices on October 2, 1981, regarding Beaver Creek Coal Company's plans to repair and install surface water gauging stations on each minesite.

We have no problems with these planned activities or their placement in the designated streams. We appreciate your concerted efforts in keeping us abreast of Arco and Beaver Creek Coal company's activities.

Sincerely,

D. WAYNE HEDBERG
RECLAMATION HYDROLOGIST
