Utah Division of Oil, Gas and Mining
4241 State Office Building
Salt Lake City, UT 84114

Attention: Tom Munson:

Dear Jim:

We have evaluated Beaver Creek Coal Company's response to the apparent completeness review for the Mining and Reclamation Plan at the Huntington Canyon No. 4 Mine. The Division has no further specific comments or recommendations. Generally speaking, the company adequately recognizes wildlife values associated with their project and proposes a sufficiently detailed and specific mitigation plan.

Thank you for an opportunity to review the MRP and provide comment.

Sincerely,

Day
Douglas F. Day
Director
